

# Hall Health Center - Insurance & Billing

Our services are covered by many health and insurance plans according to the contracted benefits (see below for a short list of some major companies that we are contracted with)

Many valuable health services are available at no further cost to enrolled UW Students who pay the quarterly Services & Activities Fee along with their tuition:

- One visit per quarter for medical concerns (this excludes comprehensive physicals, specialty visits, and procedures)
- Preventive counseling and contraceptive advice
- Help if you're in crisis
- Unlimited visits with our Consulting Nurses, including an after-hours nurse phone line for urgent medical problems
- Advice about HIV and other sexually transmitted disease exposures
- Reproductive health counseling
- Brief Alcohol Screening and Intervention for College Students (BASICS), a service for students who want to explore their alcohol use
- Unlimited access to the Wellness Resource Center
- Blood pressure screening and consultation
- Help quitting smoking
- Secure, online access to your health team and personal health information through eCare

Fees are charged for preventive care visits and specialty services including Mental Health, Nutrition Services, Physical Therapy, Travel Clinic, lab, x-rays etc. If you receive a bill that you don't quite understand, information is available from UW Physicians about understanding your bill.

## Insurance List

Hall Health Center accepts most major health insurance plans, both in and out of state. Below is a short list of some major companies we are contracted with. Please be sure to *always* call your individual plan to verify eligibility in our network, as there are often limitations within each plan.

### Contracted List

- Aetna
- Blue Cross/Blue Shield (most plans, excluding HMOs)
- Cigna
- First Choice Health Network
- Graduate Appointee Insurance Plan
- Premera Blue Cross (except Foundation)
- Regence Blue Shield
  
- Uniform Medical Plan (standard plan)
- United Healthcare (except Tricare plans)

### Non-Contracted List (not covered)

- 
- Community Health Plan
- Group Health Cooperative
- Kaiser Permanente
- Pacificare
- Tricare

Call your insurance company and give them our *tax identification number (TIN)*. This number will let your insurance know exactly where the services will be provided, and will help in clarifying what services will be covered when visiting our clinic.

**Hall Health Center's Tax ID Number (TIN) is 91-1220843**

For any questions related to insurance matters contact our Insurance Referral Coordinator: Chris Dessert (email is the preferred method of contact): [pn1@u.washington.edu](mailto:pn1@u.washington.edu)
